ATTICA HIGH SCHOOL ATTICA, N. Y.

FOREWORD . . .

War has come to the nation, and we Seniors now have a great part in protecting the democratic and liberty-loving nations of the world.

In the years in which we have been in school, we have not been agitated about the cares and problems of the world. studying, having a good time, participating in sports and extra-curricular activities . . . these are the only problems concerning students. Now that we are going out into the world to establish our positions, we will be concerned wih more serious problems.

The present world crisis is affecting us deeply. Many of our boys will be taking part in this struggle for peace. Athletics and the variety of subjects studied in school prepares the boys and girls in educational departments mentally and physically for work in varied fields ahead.

To strive for freedom and democracy is the slogan instilled in students of our school. Preparedness in every way has been sought in the past and will be sought in the past and will be sought in the future by students.

We the Seniors of 1942 are arrogant to keep the Torch of Liberty burning and the spirit of democracy alive. We are proud to be Americans.

SENIORS

SENIOR CLASS POEM

You are the emblem of Attica High,
So as through life you go,
Make your motto "Do or Die";
Don't quit when the going is slow.

You are the spirit of our school,
So always do your best,
Keep this as your Golden Rule
"I'll do every task with jest."

Nothing can be too hard
If you have the will to win;
From no success are you barred,
If you have the spirit within;

The spirit to keep on trying
And work on inch by inch,
With a courage that is undying,
That will never weaken or flinch.

Through these years of learning
Many a friend you have met,
Keep the fires of friendship burning;
That's one thing you'll never regret.

Let this be your consolation
When you face the trials of life,
Fight on to your destination,
Unmindful of trouble and strife.

To the land our fathers won,
Be loyal, brave and true,
One for all and all for one,
Keep flying the red, white and blue.

SENIOR CLASS HISTORY

Four short years ago the embryo of a successful senior class entered Attica High School. We carefully selected the outstanding students of the class as our officers. Under the capable direction of Mr. Kniffen, the freshmen class placed second in "Stunt Night." We completed our first year with five dollars in our treasury.

As sophomores we broke all tradition and were the outstanding class in the school. This year, not contented with second prize, we established ourselves as the number one class by taking first prize in "Stunt Night." We created history by being the first of the undergraduate classes to collect dues. Mrs. Sands did a wonderful job as our class advisor.

Our third year in high school was our busiest one. Leo Denault, the most ambitious president we have had, really kept us on the move. Our Junior play "This Genius Business" was a superb production. Bill Flanagan furnished the music for our event of the year, the Junior Prom. In June we bade the Seniors farewell by toasting them with a most delicious banquet. Miss Martin and Mrs. Ranger were the class advisors for this memorable year.

At last we were distinguished Seniors. The class officers for our last year were: George Schreiber, President; Virginia Jensen, Vice-President; Robert Schreiber, Treasurer; Frances Myers, Secretary; Vernon Rifenburg and Jean Bishop, Class Representatives. Our conscientious advisors were Miss French, Mr. Fox and Mr. Hewlett. The "Fall Hop" was our first dance and it was a moderate success. The ring committee was chosen in November. After a short wait, we received our class rings, which are really the smartest that have been worn on the finger of a senior in a decade. Miss Charlotte Woodworth directed "The Ugly Duckling" to an unprecedented height. Once more Bill Flanagan furnished "hot" and sweet music for our Senior Ball. Gorgeous decorations changed our gym into a palacial ballroom. Doing our part for our country burst forth in the spring. Nearly five hundred dollars in defense savings stamps were purchased by seniors. During the year paid entertainers were brought to our assemblies to make them more enjoyable.

Having worked hard for four years the sun is beginning to set in that memorable heaven. June will approach and disappear. Baccalaureate, Class Night and Graduation will pass before us. Yes, Seniors, we're through. The four best years of our lives have been spent. Let us keep first in our minds, what we have experienced for four years, the teachers, the knowledge we have acquired, our fellow students, and most of all the doctrine of democracy that we cherish.

JUNIOR CLASS HISTORY

In September, 1939, we entered Attica High School an energetic group of freshmen. Under Mr. Van de Mark's guidance, we held several class meetings. We chose for our officers: Louine Kilian as President; Robert Flick as Vice-President, and Vera Frisbee as Secretary and Treasurer. The class representative was also Vera Frisbee. Being feshmen our activities were limited, but we participated in a humorous pie eating contest at Stunt Night.

With great zeal we began as Sophomores in September, 1940. We elected Robert Hussey for our President; Mary Ann Walsh for Vice-President; Russell Watson for Secretary, and Sarah Perry for Treasurer. Roberta West and Robert Flick were chosen for representatives of the class, and accomplished a great deal with the assistance of Mrs. Sands and Miss Woods. We showed our school spirit with enthusiasm when we won first prize on Stunt Night with our excellent review of the "Gay Nineties." Our ambitious class was the originator of the famous "play day" on the school grounds in June, 1941. During that year we sold candy at basketball and soccer games and sponsored a very successful Thanksgiving dance.

With these and other social activities behind us, our exemplary group entered the Junior Class of 1942. We chose for our officers: Mary Ann Walsh as President; Donald Richter as Vice-President; Eleanor Spring as Secretary, and Vera Frisbee as Treasurer. Sarah Perry was chosen for Girl Representative and Frank Vitagliano for Boy Representative. In October our class had the first card party ever held by a class in this school. It added a great deal to our rapidly increasing treasury.

It was followed by a successful movie benefit. Our class, assisted by our advisors: Mrs. Ranger, Miss Manley, and Mr. Frank then held a Junior Prom and Play. The patriotic prom held in the high school auditorium was memorable to all who attended. Its decorations in red, white and blue made a marvelous showing, while the favorable weather conditions encouraged an enormous crowd to attend. "Don't Be Bashful" proved very successful and the cast was most commendable in its work, while the various committees added their part to the play's great success.

Due to war conditions, we have already purchased our class rings, to wear in preparation for a Senior year which we hope will linger long in our memories. On the commencement of our present Seniors, we Junior students shall begin wearing them. At present our class is looking forward to an exciting year full of commendable activities.

SOPHOMORE HISTORY

The Class of '44 is now at the halfway mark in their climb of the ladder to success. Keep up the good work students, and finish with flying colors.

After completing a successful Freshman year—both financially and scholastically—we proceed to duplicate this record in our second year of high school.

We elected competent officers as our leaders. We, Sophomores, gave an all out effort toward the sale of defense stanmps and bonds and at the end of the first contest ranked second to the esteemed Seniors.

During our high school career we have sold candy, held dances, and collected dues in an effort to boost our financial status. This has added a tidy sum to our treasury.

This year the class had two new advisors: Miss Feeley and Mr. Cogger. With Mrs. Sands they have aided the class in making it one of their most successful in its history.

So-long until next year students of Attiica High.

FRESHMAN CLASS HISTORY

The Freshman Class of 1942 entered the Halls of Attica High School in September, 1941, with great zeal and zest. Our Freshman year has not been an exceptional one, but I am sure that during the remaining three years of high school we will be able to look back upon it as a source of enjoyment. Officers were first elected by a popular vote of the class.

Our next activity was the Freshman Hallow'een Party. Each class member contributed a dime, for as yet, we had no established treasury. We did not use all of the money we had collected and so started out the year with about three dollars in our treasury.

Our first money making enterprise was the sale of candy for two weeks. There, we did exceptionally well and netted a profit of nearly twenty dollars.

Thus the Freshman have ended a very successful year and have high expectations for our remaining years of high school.

1942 was a year to be remembered in the annals of our high school paper, "The Eagle." A subscription campaign proved to be a successful, new venture, and the advertising taken in for the first issue doubled any previous issue of "The Eagle." Due greatly to the excellent work of our advisors, Miss Manley and Miss Feeley, a great deal of journalistic ability was uncovered in the four issues.

It is the sincere desire of "The Eagle" staff that this year will prove to be a step in the right direction toward making Attica High's paper one of the best in the state.

The Student Council has completed its second successive year in the school. It has been very successful and useful in the governing department by bringing out and accomplishing the desires of the student body. The Council is composed of the President and two representatives of each class, a representative of each club, and Mr. Harrington, the advisor. Regular meetings are held once a month, in which all business is settled. The meetings are social as well as business. Committees are usually appointed by the President to conciliate in disputes concerning school management.

The school calendar, which lists all events, the assembly programs, class and club meetings is scheduled by the Student Council. The candy-selling concession is controlled again this year by this organization. The fire drills, air raids, and safety patrol are all guided by the Council.

The air raids this year are of extreme importance to the school, and they have been very successful under the direction of Council members.

Mr. Harrington, principal, has been the advisor. He has done a very good job and given the students a better conception of the faculty. We believe that the school spirit and school on a whole has been improved. We hope the work will be kept up next year.

This year Attica High School is proud of its mixed Glee Club consisting of 33 members working in four-part harmony: soprano, alto, tenor and bass. It has met for 45 minutes twice a week under capable direction of Miss Pollock. The plan of a mixed group has worked out very well.

A Girl's Ensemble of ten was chosen from the Glee Club to represent Attica along with several soloists, at the Annual State Music Festival at Hamburg.

The Glee Club and Girl's Ensemble have sung for many assemblies, Music Night and Baccularate Night to the enjoyment of the rest of the people.

The people who have sung in the Glee Club have gained invaluable experience from singing and working with this group.

PHYSICAL EDUCATION

Attica High School, like every other educational institution on earth which is proud of its athletic teams, its accomplishments in Physical Education, and its sportsmanship, is justly proud of its Trophy Case which adorns the Main Entrance of the High School Building. Every athlete realizes that trophies are merely symbols of victories won. Yet to win the game, to come in first in the race, symbolize human endeavor at its best, and we believe that Attica High School teams have always tried honestly and won fairly.

Captain ..... Bernard Kelly
Manager ..... Fred Pletzker

Attica, this year guided by Coach Wratten, again completed a very successful soccer season. The orange and blue continued its domination of the only other Wyoming County aggregate, Arcade, by opening the season with a 3-1 victory over them. Later, the Arcade team was on the short end of a 5-1 game.

After Gardenville had fallen prey to the locals, the Atticans engaged in the hardest settoo of the season with Orchard Park. Since the smooth passing Park Team was probably the best ever to face an Attica team, there was no disgrace in a 1-0 defeat.

A 2-2 tie with Woodlawn was sandwiched between victories over North Collins and Clarence. Amherst was defeated, Holland tied, and Eden defeated us in other regular games.

Since Attica was champion of Wyoming County, they became eligible for the Sectionals at Rochester, when a good Williamson team conquered Attica. Bill Denault is next years captain.

BASKETBALL

Coach ..... William E. Wratten
Captain ..... George Schreiber
Manager ..... Robert George

Although benefiting from the excellent tutorage of Coach "Bill" Wratten, the Attica High Blue Devils completed a comparatively mediocre season. This year's team captained by George Schreiber was one that was never outclassed, but it often failed to have sufficient initiative to terminate the games on top. The final summary of games shows a record of five victories and eleven defeats.

The opening game of the campaign was played with Oakfield High's representative on the home court. The result was an inspiring overtime conquest of the boys from the gypsum town by 24-21 count. In other games, the Blue Devils lost two contests to a strong Dansville team by only 2 and 1 points respectively. Also to the credit of the locals was the fact that they garnered at least one victory over each team in the Wyoming County League. Toward the end of the season, since the locals were out of the running in the league standings, the two team system was used to advantage. The scoring was, on the whole, quite equally divided among the team members. The clever-passing Atticans placed no one in the leagues leading five scorers, but had more players than any other that figured in the scoring.

Bob Flick and Bob Schreiber are to be co-captains for the '42-'43 season.

Manager ..... Edward Freidl

Attica's representatives on the baseball field could annex but one victory in eight starts. Coach Wratten had to cope with a comparatively inexperienced nine. If once the team could have broken loose, it is more than likely they would have rolled on to several victories.

The local's spirits were quenched in the initial game. Robbins, Warsaw pitcher, pulled a "Vander-Meer" and hurled a no-hit, no-run game. Although Warsaw gained but four hits, they converted them into five big runs. In the next three starts, staggering reverses were suffered at the hands of Arcade, Batavia, and Perry.

The only bright spot in the records for Attica was a 5 - 4 victory over Warsaw. Batavia, Arcade and Perry each defeated Attica for the second time in the last part of this disasterous schedule.

Attica's stalwarts of the track and field, in winning two of four meets, gave a good account of themselves. In one of these, the County Meet, the locals gained a second place.

This year's team was coached by Mr. Loughlin in collaboration with Mr. Hewlett. The easy conquest of Parker High of Clarence was the high-spot of the year, and an easy victory over Warsaw was also recorded in the annals of the school. The only overwhelming defeat was in a meet with the strong Le Roy and Perry outfits.

Attica finished second to Perry in the County Meet, but the locals had several first, second, and third place winners. R. Nurnburger and Fred Greyback were first place winners, while Paul Kirkpatrick, E. Schreiber, E. Johnson, and George Spears won second or third positions. At the Sectionals in Rochester, Bob Nurnburger was outstanding for the school in winning a third place in the broad jump and tying for third in the pole vault.

GIRL'S ATHLETIC ASSOCIATION (1941-1942)

The Girl's Athletic Association began the year 1941-42 by electing the following officers:

President	Jean Bishop
Vice-President	Amy Spears
Secretary-Treasurer	Orma Hutchings
Student Council Representative	Shirley Gilliatt

This year the Girl's Athletic Association sponsored the first all-girl's Play Day for Wyoming County. Among the schools attending were Arcade, Perry and Warsaw High Schools. The outstanding event of the day was the election of the Snow Queen of the County. The Snow Queens representing the various schools were: Brenda Cahill of Warsaw, Rita Allen of Perry, Mary Fontaine of Arcade, and Jean Bishop of Attica. Selected from the four Queens by popular vote for all high schools was Jean Bishop.

The program for the day also included bowling, volleyball, ping pong, dancing, and a round-robin basketball tournament, which was won by Attica and Perry High Schools' first teams, and Warsaw and Arcade's second teams. Lunch was served in our new cafeteria.

As a result of this new and successful activity for the girls of Wyoming County High Schools, plans have been made for an all-spring round-up at the Warsaw City Park.

Last fall the Girl's Athletic Association enjoyed a hay-ride and this spring we willl end our sports season with a spring picnic.

During the last year eight senior girls have kept up the pretense of their ambitions which began in their early high school career. Athletics has not been their full program, but also they have shown outstanding ability in many other school events, and are recorded in the office records as doing good work in scholastic subjects. For these ambitions they shall be awarded gold pins. To acquire this award students are required to have earned over 1500 points by competing in athletic contests.

The following girls shall be presented with this award at the schools annual Athletic Banquet.

Jean Bishop
Virginia Jensen
Eleanor Conway
Doris Bertsch
Naomi Gracey
Leona Smith
Orma Hutchings
Helen Sonricker

TENNIS

Coach ..... Lowell Fox
Captain ..... Robert Schreiber
Manager ..... Fred Pauly

The best record of the spring sports was compiled by Coach Lowell Fox's '41 edition of the tennis team. The local racqueteers completed a schedule of seven matches—winning five and losing but two, for a 700%.

Corfu's aggregation was defeated decisively in Attica's first two matches. Perry handed the Atticans their first defeat, a 6-2 conquest. Successive victories over Warsaw, Perry, and Parker High of Clarence followed. Parker was shellacked 8-0, and Warsaw's 6-3 conquest of Attica closed the season.

Captain "Bob" Schreiber, undefeated throughout the season's matches, won the county singles championship, and went on to defeat the champions of two other counties before he finally yielded, in the semi-finals at Rochester, to the winner of that tournament.

GOLF

Coach ..... Robert Knapp
Captain ..... James Beitz

Coach Knapp's '41 edition of the golf team completed a record of one win, four losses, and one tie. Although this was a poor record, the matches were all closely contested.

Batavia, East Auroro, Lancaster, and Depew all had too much on the ball for the Atticans. Springville proved to be the only soft spot on the schedule as far as our golfers were concerned and Clarence held us to a 6-6 tie. "Jim" Beitz scored a total of 15½ points, and he lost but 2½. Jack Ostertag was also a consistent scorer for the aggregate.

The team, as a whole put on a very creditable showing, considering this is quite a recent addition to the Attica sports curriculum. "Jim" Beitz filled the captaincy.

CHEERS 1941-1942

Once again, Attica was represented by the "tops" in cheerleaders. Eleanor Conway and Roger Timm were the Senior leaders, and they led the group in a noteworthy fashion. The Junior participants were Thomas Pasnewski and Evalena Foote. The four mentioned above were the first team cheerleaders who devoted much time toward a successful athletic year.

The "jayvees" were inspired by a capable foursome consisting of two sophomores and two freshmen. John Conway and Mary Alice Hussey were from the Sophomore class. The two recruits from the Freshman class were June Parrow and "Tink" Metcalf. Although new to cheerleading, the above were quick to catch on and did a good job.

The entire group did an excellent job, and they were rated on a par with any who opposed them. The cheers were rated at least on a par with those of last year, and our cheers have always been among the best in the league.
